-II) **PROGRAM:** a **preliminary version of the program** can be found **at this link**. The program includes a banquet dinner for participants, families and friends on Tuesday 19 evening.

-III) **REGISTRATION: OPENS on 1 September**

We kindly request that **all participants and speakers register for the workshop**, by completing **this online registration form**, also available on our website, **before 30 September**.

Please notice that this registration is important to arrange the required access permits to Centro Atómico Bariloche, as well as all workshop activities.

In a future communication, we will include information about: lunch options, transportation to CAB, eventual accommodation discounts, and details about the banquet dinner.

-IV) **SUBMISSION of ABSTRACTS: OPENS on 1 September**

We kindly request all participants who wish to present a **poster** at the planned session, please submit a brief abstract **while registering for this workshop**. Please notice that **the online registration form** includes a section where you will be able to enter your Abstract directly.

-V) Please notice that **our website** is:

<https://fisica.cab.cnea.gov.ar/solidos/bariloche-workshop-on-condensed-matter-physics/>

You may contact our Organizing Committee by **e-mail** at: arturoandblas@gmail.com

In particular, we invite you to email us photographs you might have with Arturo and/or Blas, to share them at the dinner and at the Photogallery, in preparation at our website. Thank you!

We look forward to meeting you at this special workshop in Bariloche, to celebrate the legacy of Blas Alascio and Arturo López Dávalos,
